In 2020, the United Way 211 Texas Alamo Region experienced a 70% increase in call volume due to the Covid-19 Pandemic. In addition to connecting callers to services for everyday needs, 2-1-1 plays a major role during times of disaster by helping Texans be safe and stay informed, offers incident specific information including disaster relief services for impacted individuals, opportunities to donate, and much more.

Texans dial 2-1-1 for several reasons: **Option 1** provides information about local community resources; **Option 2** provides information about “Your Texas Benefits” (state public benefits such as SNAP, Medicaid, TANF, CHIP, and WIC); and **Option 4** provides registration for evacuation transportation during emergencies or disasters. 2-1-1 plays a key role in the response to natural and man-made disasters in Texas. As 2-1-1 callers are assisted, anonymous data is collected about each caller’s needs and demographic information, allowing the public to better understand the needs of the region or of a specific demographic group.
