

SHAPING THE FUTURE LEADERSHIP SOCIETIES

United Way of San Antonio
and Bexar County

United Way Leadership contributors not only help shape the future of our community, but they also set a powerful example for others to follow. Those participating at Leadership Society levels are philanthropists whose wholehearted generosity supports the health and human services needs of residents across San Antonio and Bexar County. They are the foundation of our United Way campaign.

Members of these exclusive groups come from a variety of backgrounds and careers. Some of them come from corporations, some run their own businesses while others contribute to the community from home. They are all true leaders. They understand and embrace the fact that there must be strategic solutions to our most complex challenges.

A Leadership Gift means that our children have a safe and healthy start in life, our students stay in school, that we do all we can to strengthen individual and family well-being and that we provide a safety net of emergency services like food, clothing and shelter.

If you have not yet joined one of our Leadership Societies, we encourage you to learn more about how you can make a difference in our community. Join us as we work together to make a brighter future for San Antonio.
