INDEPENDENT AUDITOR’S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Board of Directors
United Way of San Antonio and Bexar County
San Antonio, Texas

We have audited, in accordance with U.S. generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of United Way of San Antonio and Bexar County (“UWSA”) (a non-profit organization), which comprise the consolidated statement of financial position as of June 30, 2022, and the related consolidated statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated November 29, 2022.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered UWSA’s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of UWSA’s internal control. Accordingly, we do not express an opinion on the effectiveness of UWSA’s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity’s financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether UWSA's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the consolidated financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of UWSA's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering UWSA's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR’S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE *UNIFORM GUIDANCE* AND THE *TEXAS UNIFORM GRANT MANAGEMENT STANDARDS*

To the Board of Directors
United Way of San Antonio and Bexar County
San Antonio, Texas

Report on Compliance for Each Major Federal and State Program

Opinion on Each Major Federal and State Program

We have audited United Way of San Antonio and Bexar County (“UWSA”) compliance with the types of compliance requirements identified as subject to audit in the *OMB Compliance Supplement* that could have a direct and material effect on each of UWSA’s major federal and state programs for the year ended June 30, 2022. UWSA’s major federal and state programs are identified in the summary of auditor’s results section of the accompanying schedule of findings and questioned costs.

In our opinion, UWSA complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal and state programs for the year ended June 30, 2022.

Basis for Opinion of Each Major Federal and State Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States (*Government Auditing Standards*); and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) and *Texas Uniform Grant Management Standards*. Our responsibilities under those standards, Uniform Guidance, and *Texas Uniform Grant Management Standards* are further described in the Auditor’s Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of UWSA and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal and state program. Our audit does not provide a legal determination on UWSA’s compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grants agreements applicable to UWSA’s federal and state programs.

MAIN OFFICE:

9601 McAllister FWY, STE 800
San Antonio, Texas 78216

Phone: 210.829.1300
Fax: 210.829.4080

672 Ridge Hill Dr., STE B
New Braunfels, TX 78130

Phone: 830.387.4441

616 E. Blanco, STE 300e
Boerne, TX 78006

Phone: 830.815.1100

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on UWSA's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with general accepted auditing standards, *Government Auditing Standards*, Uniform Guidance, and *Texas Uniform Grant Management Standards* will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for the resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that individually or in the aggregate, it would influence the judgement made by a reasonable user of the report on compliance about UWSA's compliance with the requirements of each major federal and state program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, Uniform Guidance, and *Texas Uniform Grant Management Standards* we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding UWSA's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of UWSA's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance and *Texas Uniform Grant Management Standards*, but not for the purpose of expressing an opinion on the effectiveness of UWSA's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weakness in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal or state program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal or state program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal or state program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Report on Internal Control Over Compliance - continued

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that have not been identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance and *Texas Uniform Grant Management Standards*. Accordingly, this report is not suitable for any other purpose.

INDEPENDENT AUDITOR’S REPORT ON SCHEDULE OF EXPENDITURES OF FEDERAL AND STATE AWARDS REQUIRED BY THE *UNIFORM GUIDANCE* AND *TEXAS UNIFORM GRANT MANAGEMENT STANDARDS*

To the Board of Directors
United Way of San Antonio and Bexar County
San Antonio, Texas

Opinion

We have audited the schedule of expenditures of federal and state awards of United Way of San Antonio and Bexar County (“UWSA”) for the year ended June 30, 2022, and the related notes (the schedule).

In our opinion, the accompanying schedule of expenditures of federal and state awards presents fairly, in all material respects, the expenditures of federal and state awards of UWSA for the year ended June 30, 2022, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) and the *Texas Uniform Grant Management Standards*. Our responsibilities under those standards, the Uniform Guidance and Texas Uniform Grant Management Standards are further described in the Auditor’s Responsibilities for the Audit of the Schedule section of our report.

We are required to be independent of UWSA and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Schedule

Management is responsible for the preparation and fair presentation of the schedule in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the schedule that is free from material misstatement, whether due to fraud or error.

Auditor’s Responsibilities for the Audit of the Schedule

Our objectives are to obtain reasonable assurance about whether the schedule as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, Uniform Guidance, and Texas Uniform Grant Management will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the schedule.

Auditor's Responsibilities for the Audit of the Schedule - continued

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the schedule, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the schedule.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of UWSA's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the schedule.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

UNITED WAY OF SAN ANTONIO AND BEXAR COUNTY
Notes to Schedule of Expenditures of Federal and State Awards
Year Ended June 30, 2022

NOTE A – BASIS OF PRESENTATION

The accompanying Schedule of Expenditures of Federal and State Awards (the Schedule) includes the federal and state grant activity of United Way of San Antonio and Bexar County (“UWSA”) under programs of the federal state and governments for the year ended June 30, 2022. The information in the Schedule is presented in accordance with the requirements of the *Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Costs Principles, and Audit Requirements for Federal Awards (Uniform Guidance)* and the *Texas Uniform Grant Management Standards*. Because the Schedule presents only a selected portion of the operations of UWSA, it is not intended to, and does not, present the financial position, changes in net assets, or cash flows of UWSA. Therefore, some amounts presented in this schedule may differ from amounts presented in, or used in the preparation of, the basic financial statements.

All of UWSA’s federal and state awards were in the form of cash assistance. UWSA had no federal or state funded insurance programs or loan guarantees during the year ended June 30, 2022.

UWSA used its approved indirect cost rate of 13.7% during the year ended June 30, 2022.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the schedule are reported on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP). Such expenditures are recognized following the cost principles contained in 2CFR Section 200.502 wherein certain types of expenditures are not allowable or are limited as to reimbursement.

NOTE C – RECONCILIATION TO AUDITED FINANCIAL STATEMENTS
