

UNITED WAY OF SAN ANTONIO AND BEXAR COUNTY

OUR VALUE

United Way of San Antonio
and Bexar County

United Way of San Antonio and Bexar County unites the community to identify and solve complex issues. Together, we create much needed opportunities for our children, students, families and individuals to reach their full potential.

United Way supports people in all stages of life. Some people experience barriers from birth while others encounter unexpected hardships as adults. Whether the need is big or small, United Way is here. Without support, achieving stability can be difficult. When people are connected to the resources that they need, it removes barriers that stand in the way of an individual's full potential.

Together, we supported 1,063,908 individuals last year.
