

# SHAPING THE FUTURE LEADERSHIP SOCIETIES

United Way of San Antonio  
and Bexar County

**United Way Leadership contributors not only help shape the future of our community, but they also set a powerful example for others to follow.** Those participating at Leadership Society levels are philanthropists whose wholehearted generosity supports children, students, individuals and families across San Antonio and Bexar County. They are the foundation of our United Way campaign.

Leadership Society members come from a variety of backgrounds and careers. Some of them come from corporations, some run their own businesses while others contribute to the community from home. To recognize these leaders, we offer exclusive events and opportunities to donors based on their Leadership Society level.
