

WRITE START PROJECT

United Way of San Antonio
and Bexar County

presented by

The United Way Write Start Project is a back-to-school initiative supporting those who ensure that our students succeed in school — teachers. Each year, countless teachers fund school supplies out of their own pocket without reimbursement. This community-wide project helps fill this gap by providing teachers with supplies.

This year the Write Start Project is supporting schools in Harlandale ISD and East Central ISD. Join us to help support teachers in our community!
