

OUR VALUE

United Way of San Antonio and Bexar County convenes community leaders, businesses, nonprofits and volunteers to solve our most complex issues. Together, we create much needed opportunities for our children, students, families and individuals to reach their full potential.

We support people in all stages of life. Some people experience barriers from birth while others encounter unexpected hardships as adults. Whether the need is big or small, we advocate for everyone. Without support, achieving stability can be difficult. When people have the resources they need, barriers are broken down, opening a path to their full potential.
