TOCQUEVILLE SOCIETY

The Tocqueville Society brings together philanthropic leaders who are shaping a stronger, more resilient Bexar County for generations to come. A Tocqueville Leadership Gift means our children have a healthy start in life, our students stay in school, individual and family well-being is strengthened and the community has access to a safety net of emergency services like food, clothing and shelter

The Tocqueville Society recognizes individuals who contribute \$10,000 or more annually to the work of United Way of San Antonio and Bexar County. New donors may choose a two- or three-year step-up giving commitment and participate in the Tocqueville Society network beginning at the start of their commitment..
